- ⚠ WARNING: Keep away from open flames and other heat sources.
- ⚠ WARNING: Ensure adequate airflow and ventilation at all times to prevent airway obstruction.
- ⚠ WARNING: Never leave a child unattended in a stroller with this product. Strangulation hazard may occur.
- ⚠ WARNING: Ensure all attachments are secure before use. Do not use if parts are loose or damaged.

# **Important**

## **Assembly Tip**

Before you begin, it's best to identify all of the parts and fittings to build your bed frame. We advise laying these out on the floor to check you have everything, and to familiarise yourself with all of the parts and fittings before building.

## **Top Tip**

We recommend that you build your new bed frame in the room you'd like it to be located. This will help prevent any risk of damage to the frame whilst moving it.

## **Safety and Care**

It's important to ensure children and animals are kept away from the assembly area, as there are small components used in this bed frame which could present a choking. All plastic and wrapping materials should also be kept away from children and animals to prevent any risk of suffocation.

## **Help and Support**

Please contact our customer service team on 0192 495 0108 if you have any questions or issues with your purchase.

## **Recycling**

Please ensure that packaging is disposed of in a safe and environmentally friendly way, and recycle where possible. Please keep your assembly instructions safe to refer back to in the future.

# Parts

Before you begin building your bed frame, please take a moment to read through the instructions and make sure that you have all the relevant parts listed on the parts check list.

# PART LIST

## PART CHECK LIST -Carton 1 of 2

# **Care and Maintenance**

Here are some good tips to keep your new bed frame in tip-top condition.

## **Cleaning**

To clean your new bed frame, we advise using a damp cloth if the fabric is dusty or a low suction vacuum. Do not use abrasive chemicals or bleach as this may damage the product.

## **Checking and moving**

Periodically, we recommend you check that the screws and fixtures haven't become loose over time. To move your bed frame, we recommend lifting it where possible, as dragging or pushing it could cause damage to the legs or flooring.

## **Fabric**

Please note, depending on the lighting, positioning and surroundings of your room, the shade of the fabric will appear differently. Over a period of time, the fabric may also lighten or fade slightly due to light exposure.
