IMPORTANT! READ CAREFULLY AND RETAIN FOR FUTURE REFERENCE

Due to small parts keep children clear during assembly.

Carefully layout all the parts on a clean, flat surface and compare with the parts checklist. Please retain all packaging until you are sure no parts are missing, then once you are satisfied with the product please dispose of all packaging responsibly.

Ensure all fittings are fully tightened before use and checked regularly and re-tightened as necessary.

During assembly take care not to over tighten the bolts.

When positioning your furniture ensure the ground is firm, level and dry.

Do not position your furniture in direct sunlight or close to a source of heat.

Take care when handling or moving furniture, always lift with assistance. Dragging furniture WILL cause permanent damage.

Use a soft brush to clean the fabric and if necessary wipe with a soft damp cloth.

For any stains or marks remove immediately using a blotting action with a very mild detergent and warm water on a soft damp cloth.

Never rub the fabric as this may cause damage.

Do not use any solvent based or abrasive cleaning products as this could damage your furniture.

Care and maintenance of your furniture is important, so please follow the advice given in the guide provided or visit our website for further details.

The recommended size mattress for this bed is Queen 154cmx204cm.

The recommended weight of mattress is 50kg
