Care & Maintenance Of Your Product

Gently wipe clean with a slightly damp cloth.

Household cleaners and abrasives can cause damage to the product.

Tighten all screws periodically to guarantee they are secure.

To move the product lift it into place. Pushing or dragging the product across a floor will cause damage to it. If the product is assembled on a hard floor, it is advised to place protection under the legs to prevent the product from moving. If these guidelines are not followed it may invalidate the warranty.
